**WELDING**  
**DISCLOSURE DOCUMENT**  
**Mr. Lewis**

**COURSE DESCRIPTION**

This is a basic course which is structured to introduce students to the essential areas of welding. Elements of design, fabrication, machining operation, and safety will be studied. Upon completion of the course, students will understand the production-flow related to the world of welding technology through book exercises and hand-on applications. Students must pass the required safety test with 100% before working in the welding lab.

**COURSE OBJECTIVES**

- Students will demonstrate the ability to use proper welding terminology.
- Student will identify and use tools properly and safely.
- Students will learn and demonstrate precise measuring techniques.
- Students will complete class/shop assignments as outlined by the instructor.
- Students will develop problem solving skills with the motivation to think and do for one's self.
- Student will develop a respect for self and others.
- Students will develop a strong work ethic and take pride in their work.
- Students will pass the state competency exam with a score of 80% or higher.

**PROJECT COSTS**

For the welding classes, there will be a \$20.00 lab fee at the beginning of the semester. This will pay for safety glasses, practice metal, welding rod, and fuel (oxygen, acetylene, and other gasses).

**GRADING**

Individual student's grades will depend upon the following: Book assignments, quizzes, examinations, project work, and clean-up points. Grading is established so that if a student stays on task, he/she will be successful in this course. Grading each term is based on each student's total points earned in the following areas:

Projects and Assignments . . . . .	50%
Tests and Quizzes . . . . .	25%
Participation in shop/classroom . . . . .	15%
Clean-Up . . . . .	<u>10%</u>
	100%

## GRADING SCALE

B+ = 89 % - 87 %	A = 93% - 100 %	A- = 92% - 90 %
C+ = 79% - 77%	B = 86 % - 83 %	B- = 82% - 80%
D+ = 69% - 67 %	C = 76 % - 73 %	C- = 72% - 70%
F = 59.4 % and below	D = 66% - 63%	D- = 62% - 59.5 %

## CITIZENSHIP DISCLOSURE

According to the Granite School District policy, citizenship is based on attendance, punctuality, and adherence to the rules and policies of the school. Citizenship grades will be based on guidelines detailed in the *Kearns High Principles and Policy Handbook* covering policies on tardiness, absences, disruptive behavior, citizenship, and more. Citizenship grades are final and only subject to Granite School District's Appeals Procedure.

## CLASSROOM EXPECTATION

Career Technology Education trains students in skills that could be further pursued as a career. This is a CTE course focusing on welding and developing the necessary skills and knowledge dealing with welding. Since this is training for a possible vocation, students will be expected to:

- Be to class on time.
- Attend class regularly.
- Have notebook paper and pencil ready.
- Always complete own work and assignments. **Cheating will not be tolerated.**
- Turn in work on time – neat and legible.
- Help keep the classroom and lab clean, orderly, and safe.
- **Do not bring anything to class that distracts from learning, such as electronic games, personal music players, cellular telephones, playing cards, etc...**
- Show proper respect for fellow students, teacher, and others as well as show courteous manners, speech, and respect of other's property and projects. **Stealing materials will not be tolerated and will result in suspension.**
- Hall passes will be given only for emergencies. Class participation is vital. Leaving class without permission for any reason will result in **truancy**.

On occasion, a "PG" or a "PG-13" rated film will be shown and correlating assignment given. The content of the film will support the curriculum. An alternative activity will be available for students who choose not to view and participate in the film activities.

I look forward to meeting with you and your parents/guardians at Parent Teacher Conferences. I have high expectations of all students and will strive to help you achieve high educational goals. If you have any questions or concerns, please feel free to contact me at Kearns High School between 7:10am & 2:40 p.m.
